Government Announcements and News

- *Colin Hansen moves the Financial Statutes Amendment Act* – Bill 6 amends the regulatory tools and framework for financial institutions, including credit unions, insurance companies and trust companies. The bill makes a technical amendment to the Home Owner Grant Act. Forms under the act will be approved by the minister instead of being prescribed in regulation, providing the flexibility to update the forms as program requirements and technologies change. - *Miscellaneous Statutes Amendment Act moves to third reading* - Bill 4 amends the following statutes: the Coroners Act; the Child, Family and Community Service Act; the Engineers and Geoscientists Act; the Health Authorities Act; the Hospital District Act; the Music Teachers (Registered) Act; the Teaching Profession Act; the Water Act. It also amends the Employment Standards Act. It Transfers authority for third-party searches of employment standards branch records to the Employment Standards Act from the Financial Administration Act. [Read more](#)
- *Zero Net Deforestation Act read a first time* - Bill 5, establishes in legislation the government's goal of zero net deforestation for British Columbia. The bill states that the province must achieve a goal of zero net deforestation by December 31, 2015 in an effort to curb greenhouse gas emissions. Decreasing the total area of deforestation at the same time as increasing the total area of afforestation is expected to result in a zero net loss of forestland and reduce greenhouse gas emissions.
