May 10, 2010 | Issue: 8

### 2010 Legislative Session: 2nd Session, 39th Parliament

#### Government Announcements and News

- *New West Partnership announced* – British Columbia, Saskatchewan and Alberta launched the New West Partnership, creating an economic block of nine million people with a combined GDP of more than \$550 billion. Building on the original TILMA agreement between B.C. and Alberta, the New West Partnership will create Canada's largest interprovincial barrier-free trade and investment market. [Read more](#)
- *Softwood lumber producers to pay zero tax* – Due to strong lumber prices, effective June 1, B.C.'s softwood lumber producers will no longer pay any tax on their shipments to the U.S. The export tax has dropped from 15 per cent to zero because of higher lumber prices. Under the 2006 Softwood Lumber Agreement, companies exporting softwood lumber to the United States are required to pay an export tax on their shipments. The higher the average lumber price is, the lower the export tax. [Read more](#)
